INTELLIGENCE MEMORANDUM

Situation in the Dominican Republic
(As of 0600)

1. We have received no information indicating that the tactical situation has changed during the past hour. However, with the coming of first light, we anticipate a resumption of shooting exchanges and violent clashes.
2. Ambassador Bennett reports that the Papal Nuncio has been pressing on with his unsuccessful efforts to bring representatives of the two sides together to try to arrange a truce. The Ambassador adds that in these attempts the Nuncio's good will has sometimes outrun his judgment.
